

First Aid Saves Kids

LEARN HOW WITH TRAINING UNLIMITED

WHAT?

HLTAID004 PROVIDE AN EMERGENCY FIRST AID RESPONSE IN AN EDUCATION AND CARE SETTING

Learn the skills, confidence and knowledge needed to recognise and provide immediate First Aid to infants, children and adults.

WHY?

Educators and support staff working with children may be required to respond to a first aid emergency including; asthma and anaphylactic emergencies. A little knowledge can **SAVE A LIFE.**

HOW?

Save time by completing pre-learning & assessment before class. Spend 8 hours on **PRACTICAL** training in class.

WHO?

ANYONE- There are no prerequisites for this course! Just make sure you can perform CPR on the floor.

The unit of competency may contribute towards approved first aid, asthma and anaphylaxis training under the Education and Care Services National Law, and Education and Care Services National Regulations (2011)

WHERE?

We operate classes throughout Melbourne.
Have a group of 10 or more? Great! We'll **COME TO YOU.**
