MANUAL HANDLING AND MEDICATIONS AWARENESS TRAINING

MEDICATIONS AWARENESS TRAINING

The management of a patient's care plan can often include the key principles of medications awareness. Many care workers are often required to monitor their patients' use of medications. Due to the high risks associated with misuse, Training Unlimited offers regular Professional Development sessions to keep your skills up to date.

WHO IS TRAINING UNLIMITED?

Training Unlimited are specialists in First Aid and Community Services training. We have over 14 years' experience in delivering quality training with a simple purpose – to empower our students.

MANUAL HANDLING AWARENESS TRAINING

Maintaining your manual handling awareness can be one of the most effective ways to ensure a safe working environment. Training Unlimited offers regular Professional Development sessions in manual handling to keep your skills up to date.
